	EXIT ROUTE
	YOU ARE HERE
	SEVERE WEATHER SHELTER
	AED
	ACCESSIBLE EXIT

IN CASE OF FIRE:
 Sound the alarm, close doors, use nearest possible exit and proceed away from building to an assembly area.

IF YOU ARE UNABLE TO EVACUATE:
 Occupants may use any exit stairwell landing. Move to an area near an exit, out of the flow of traffic. Call 911 to inform emergency personnel of your location and wait for assistance.

FOR SEVERE WEATHER, SUCH AS TORNADO WARNINGS:
 Public Safety has strongly recommended that if a tornado watch occurs that this building needs to be evacuated, and occupants should find alternative shelter.
